Giving you Independence

Rise & Recline Chairs

Few things offer as much comfort as being able to sit back and relax in your favourite armchair.

But it's not quite so relaxing when you find it difficult sitting down or getting up again, or can't quite get comfortable enough in a chair because it doesn't offer the support that you need.

At Higher Elevation we provide a carefully selected range of rise and recline chairs designed to make your life easier. With a wide range of fabrics and styles they'll seamlessly fit in with your existing decor.

- British made
- Optional independent back & footrest controls
- 4 sizes available
- 5 year guarantee on mechanical parts
- Matching suites available on selected models

Adjustable Beds

Our adjustable beds are perfect to help those with mobility issues to get a good night's sleep.

- British made
- Optional independent rise & recline controls
- 4 sizes available
- Variety of mattresses to choose from
- 5 year guarantee on mechanical parts

Bath Lifts

For those who like a long soak without the inconvenience of adapting your bathroom our range of bath lifts are ideal.

Stairlifts

We are authorised agents for all leading brands of stairlifts, which means you get to choose exactly what's right for you.

Imagine how it would transform your life, if you could move around your home freely – without the difficulty of getting up and down stairs.

Whether your stairs are straight or curved, our user-friendly and elegant stairlifts are designed to cope with every twist and turn and deliver you safely from one level to the next – all at the push of a button.

- Fast delivery and installation
- All leading makes and models
- Space-saving, compact designs
- Suitable for all types of staircase
- Straight or curved
- Emergency battery back-up
- Can be used indoors or outdoors

A few manufacturers' products we work with include Stannah, Thyssen, Oto, Brooks, Acorn, Minivator, Handicare, Bison, Meditek and Bruno.

Ceiling Hoists

Ceiling hoist systems are an ideal solution for lifting and moving people from one place to another in all kinds of care environments.

Having the ability to store the lifting equipment out of the way (on the ceiling or wall), you will keep your floor space clear, making it much easier, quicker and safer to get around both independently or assisted.

Whether you need the ability to move from a chair to a bed or from a bedroom to a bathroom, our ceiling track hoist systems can transport persons to places that once seemed impossible to do! Ceiling hoists are always in place, charged and ready to use as needed.

Our ceiling hoists provide a unique and innovative method of transfer.

- Reliable with rapid, effective recharging system
- Comfortable smooth start and very quiet
- Affordable low operating costs and maintenance
- Responsive always-on availability and dual-speed
- Sophisticated built-in safety system
- Easy to use, comfortable and intuitive control units
- Curved & Straight track configurations available

Through Floor Lifts

Our domestic through-floor lifts go from any room downstairs to the room above in one easy journey.

When you are not using the lift you can send it away from the room you are in, leaving you the full space of that room.

Designed to take a wheelchair or just a single person this lift offers comfortable and easy use.

- Range of sizes
- Minimum intrusion on living space
- Unique fire response system
- In-car lights and controls
- Optional telephone
- Optional fold-up seat
- Optional grab handles

“ I have been a customer for 15 years. I have always received excellent service and have found them to be very reliable and always understanding of my requirements. ”
